5th European Update Congress in Pneumology

15 - 16 June, 2018 in Budapest, Hungary

Dear Mr. Helleday,

Thank you to all National Societies across Europe and beyond for your incredible support over the past 4 successful years!

This coming year, we are excited to be in a new venue for us – the spacious, and very beautiful Castle Garden Bazaar! Again, we hope that your members will be with us, to receive a professional, scientific, and unbiased expert update across pneumology!

We would greatly appreciate it **if you could inform your members of this outstanding CME event via newsletter** (template provided) and on your website.

In return, we are offering you **4 free entry tickets** (regular fee 500 Euros)! (2 regular tickets + 2 ePoster tickets for pulmonologists participating with an ePoster). Furthermore, we would place your society's logo/link on our website.

Your members will receive:

- A complete Update across the entire medical field in 14 interactive and unbiased sessions
- No parallel sessions
- No State of the Art lectures – only the most recent international study results!
- Clinical and practical relevance!
- Clear-cut take-home messages, and a printed compendium of all lectures to take home!
- ...and a faculty of **Europe's leading respiratory specialists!**
